

Pierre-Gilles Diat

Investment Manager, Vauban Infrastructure Partners

Mounir Pierre-Gilles is an Investment Manager at Vauban Infrastructure Partners and has worked on many French and European PPP transactions over the past years including origination and closing of greenfield and brownfield projects. He is specifically involved in the development of the Italian market. Pierre-Gilles has been involved in transactions in very various sectors such as transportation, energy and social infrastructures. He is also actively involved in the asset management. Throughout his 6 years at Vauban Infrastructure Partners, he has developed strong skills in financial and legal structuring of availability based PPP and concession deals. Prior to joining Vauban Infrastructure Partners, Pierre-Gilles has worked in private equity at Siparex Sigefi Ventures and as a credit analyst at the Banque Publique d'Investissement.
