

- Our team, representing the 700+ Dentons IP&T lawyers serving in 80+ countries and across the globe, will be in Singapore in May 2023 throughout the INTA Annual Conference.
- Lawyers from Australia, Azerbaijan, Czech Republic, Chile, China, Ecuador, France, Germany, Italy, Kazakhstan, Kenya, Netherlands, New Zealand, Nigeria, Poland, Singapore, Spain, South Korea, Turkey, Ukraine, United Kingdom, United States, Uzbekistan and Zambia will be in attendance.
- Our team of lawyers and professionals have a comprehensive knowledge of IP laws and offer an extensive range of global services, including trademark clearance, selection, prosecution, enforcement, portfolio management, licensing, settlement agreements and watching services. Our team also has regional expertise in social media and e-commerce issues; trademark, design and trade dress litigation; domain name disputes; patent and copyright matters; anti-counterfeiting issues, investigations and customs programs; and audit/due diligence for IP asset sales, among many other services. With our global footprint, industry experience and investment in innovation, we are able to work effectively and efficiently across our offices to provide clients with a full breadth of IP protection.
- The Dentons delegation welcomes the opportunity to meet with you and your colleagues in Singapore and would be delighted to discuss how our team can assist you.
